

Index to Volume XXXI

Index to Volume XXXI

Dates in parentheses after the names of vessels indicate either the years of building or of the reference. Dates indicating the year of the reference are printed in *italic* type. Vessels having compound names are indexed under the initial letter of the *first* word. A list of vessels having compound names, arranged alphabetically by their *last* names, follows the index. This index was prepared by Geraldine M. Ayers of the Peabody Museum staff.

- 'Act for the Increase and Encouragement of Seamen, An,' 1696, 193.
Active, French ship (1800), 174.
Adams, U.S.S. (1799), 173.
